

Dear Friends:

The devastation caused by hurricane Maria on September 20th 2017 will be felt in Puerto Rico for a long period of time. We at the Jewish Community Center - Shaare Zedeck Synagogue, are committed to assist and work in any field. Although we have suffered considerable damages in our premises, our main focus is helping the community at large.

Since day one, we have had groups of members going out and bringing relief to communities in need, particularly in the Municipality of Loiza. We have coordinated these efforts with the Mayor of this town. We have distributed hygiene products, medicines, flashlights, blue tarps, diapers, baby food and many more articles. Again, we are committed to help Puerto Rico move forward and make it shine again.

You can be part of this effort by following any of these steps:

1. By visiting our website, www.jccpr.org and making a donation through PayPal
PayPal Account Email: diego@jccpr.org
2. By using our Venmo Account, information below
